

SPANZA / APAGBI

16 – 19 October 2019 – Brisbane, QLD, Australia

INVITATION TO ATTEND

We would like to invite you to Brisbane for the 2019 SPANZA Annual Scientific Meeting. This meeting will be co-hosted by the Association of Paediatric Anaesthetists of Great Britain and Ireland (APAGBI) so it's sure to be a thought provoking conference with a broad range of international and local experts.

The theme of our meeting is "Changing Tides" representing both the Brisbane River, which is the centrepiece of our beautiful host city, and the changes in ideas and practice that will challenge us over the course of the meeting.

The conference will be held at a brand new facility right on the Brisbane River in close proximity to the city, the famous South Bank precinct as well as a world class simulation centre at the Lady Cilento Children's Hospital.

Our speakers from Australasia, Europe and North America will inform, educate, challenge and inspire. The meeting is perfect for those working in tertiary paediatric centres as well as the occasional paediatric anaesthetist. The workshop program is designed to hone your skills in a broad range of disciplines including ultrasound, perioperative anxiety and crisis management, also an excellent way of satisfying CPD requirements.

What else will you choose to do while you're here? Brisbane is the gateway to a huge variety of spectacular locations and unforgettable experiences. From the Gold Coast to Byron Bay, island hopping in Moreton Bay, a tour of the theme parks or a visit to Australia Zoo, the beautiful beaches of Noosa and a 4WD adventure on Fraser Island, hiking or cycling in the hinterland or just enjoying the relaxed vibe of Brisbane City, we've got you covered.

We look forward to seeing you in Brisbane!
