

Neuro-anaesthesia CRM Course

Suitable for Anaesthesia trainees BTY1 and above, Anaesthesia consultants
Anaesthesia nurses, Anaesthesia technicians

2021 dates All dates 0900-1630hrs:
Wednesday 31 March Wednesday 8 September

Aim

To provide a refresher in the management of neuro-anaesthesia crises.

Outline

This course provides an update on current management of neuro-anaesthesia emergencies with an additional focus on the principles of Crisis Resource Management (CRM).

It is aimed at the 'occasional neuro-anaesthetist' who would like to refresh their neuro-resuscitation skills and at Advanced Trainees in Anaesthesia preparing for fellowship exams.

Neuro-anaesthesia emergencies require effective teamwork to ensure best possible outcomes.

This course promotes a team-based approach and anaesthesia assistants are encouraged to attend with their medical colleagues.
