CPD HOURS

Aim

To prepare anaesthesia providers for managing a CICO crisis

Outline

Using a combination of skills stations, facilitated discussions and scenario based learning, participants will develop and practise the skills, knowledge and attitudes required to recognise and manage the CICO crisis.

Content

Topics include:

- Review of available CICO guidelines
- Decision making and recognition of the CICO crisis
- Team response to CICO
- Tips & techniques for performing needle cricothyrotomy and surgical airway

Prerequisites

Nil
