

ANZCA CPD Emergency Response Series

Anaphylaxis

Suitable for Anaesthesia trainees IT and above, Anaesthesia consultants, GP anaesthetists, GP anaesthesia trainees, Anaesthesia nurses, Anaesthesia technicians, Recovery nursing staff

2021 dates

All dates 1330-1630: Wednesday 16 June

Friday 27 August

Wednesday 8 December

Aim

To prepare anaesthesia providers for managing anaphylaxis

Outline

Using a combination of facilitated discussions and simulations, participants will develop and practise the skills, knowledge and attitudes required for up to date management of anaphylaxis.

The course will incorporate the recently developed Australian and New Zealand Anaesthetic Allergy Group (ANZAAG) guidelines.

The session will satisfy the ANZCA CPD program requirements for Anaphylaxis, and the course is suitable for ANZCA trainees who need to complete an Anaphylaxis course.

This course promotes a team-based approach and anaesthesia assistants are encouraged to attend with their medical colleagues.

Prerequisites

Nil

CPD (3 Hours)

Participants in the ANZCA CPD Program may claim this ALS course as an emergency response activity in their CPD portfolio. Further information about the ANZCA CPD Program can be found on the College website <u>www.anzca.edu.au</u>
